For students who are seeking Collaborative Mediator® Certification (*School Form C*) must hold a bachelor's degree or the equivalent. If applicants are beyond the age of compulsory school attendance in Colorado and do not possess a diploma or equivalency diploma, they may complete an ability to benefit test approved by the Colorado Department of Education. The school does not administer the test, but will provide information on availability when requested.

Prospective students may enroll prior to the prescribed course start date and late enrollees will not be admitted. Pre-registration is required. Registration closes 72 hours prior to the class start date.

Prerequisite Waiver

Course prerequisites are generally in place because a certain skill or body of knowledge is needed prior to taking the course in question. Waiver approval is done on a case by case basis and subject to review by PSI administration.

Postponement of a starting date, whether at the request of the school or the student, requires a written agreement signed by the student and the school. The agreement must set forth:

- a. Whether the postponement is for the convenience of the school or the student, and;
- b. A deadline for the new start date, beyond which the start date will not be postponed.

If the course is not commenced, or the student fails to attend by the new start date set forth in the agreement, the student will be entitled to an appropriate refund of prepaid tuition and fees within 30 days of the deadline of the new start date set forth in the agreement, determined in accordance with the school's refund policy and all applicable laws and rules concerning the Private Occupational Education Act of 1981.

Placement Assistance

Phoenix Strategies Inc. offers career assistance for a certified Collaborative Mediator®, consisting of career and professional development. While assisting in your professional development, we make no guarantee, expressed or implied, of future employment. Current law prohibits any school from guaranteeing job placement as an inducement to enroll students.

Attendance Requirements

Students are expected to arrive on time for class with proper materials. An overall attendance rate of at least 90% is required. Instructors may request your withdrawal from a course or program in the event of absenteeism and may withhold the certificate of completion.

Students who are unable to continue classes for medical reasons or severe personal problems will be offered the opportunity to attend the next scheduled class or a refund for the equivalent of the class sessions not attended. If a student desires individual make-up time with an instructor, the student will arrange the time with PSI and pay PSI for this additional time. Proper documentation will be required to substantiate a student's withdrawal.

Progress Policy

Students must maintain 90% completion rate in all classes. Classes will be evaluated on a Pass (P) or Fail (F) basis. Those who are unable to attend a class because of medical reasons or severe personal problems will be considered to be withdrawn (W) and automatically enrolled in the next scheduled class. After that time students will be required to re-enroll and pay all related fees and tuition if they wish to receive a certificate of completion for that course. Termination shall be at the School's discretion.
